

FLORIDA EMPLOYEE LEASING COMPANY EXCLUSION ENDORSEMENT

As used in this endorsement, an employee leasing arrangement is any arrangement whereby a leasing company assigns its employees to a client company and allocates the direction of and control over the leased employees between the leasing company and the client company. The third party providing employee leasing services will be referred to as a "employee leasing company." The employer named in Item 1. of the Information Page will be referred to as a "client company."

This endorsement is used to exclude workers that you lease as a client company from your policy, which only covers your direct (non-leased) workers. Your policy, to which this endorsement is attached, does not provide coverage for workers you lease from any employee leasing company(s) listed below or others added subsequent to policy issuance even if not endorsed on the policy. Any changes to such information must be reported to the carrier immediately.
